

Our innovative After-School Program is very popular with Mill Pond School students. Monday through Thursday afternoons from 2:30 to 4:30, between 40 and 50 K-6 students regularly attend. Each child receives a free snack, participates in a structured and well-supervised homework period, and concludes the day with a fun activity. After-School Program students enjoy many exciting field trips including the opportunity to participate in a wonderful downhill ski program at Big Rock Mountain in Mars Hill.
