Dear Students & Members of the Hodgdon Middle/High School Community,

At this time, Hodgdon Middle/High School continues to provide in-person instruction to all students who are not quarantined. In the case that we move to a schoolwide remote instruction model and/or for those who are quarantined, we have worked to articulate our remote instruction expectations below:

- With remote instruction, all students will be expected to follow their regularly scheduled class times. Teachers will provide Google Meet links for each of their classes. Students should regularly check their Gmail and/or Google Classroom to find class links. Attendance will be taken and we kindly ask that parents notify the main office staff if a student is unable to attend remotely.
- You will find schedules for both middle school and high school students attached here.
- Students will NOT be expected to remotely attend Learning Center or Advisory/FLG periods. They will, however, be expected to attend all Odyssey and World Language classes at their designated times.
- All teachers have created Google Classrooms. Students should be familiar with how to operate this tool as teachers have been regularly utilizing Google Classroom throughout the year.
- Students who attend Region Two will not attend in-person classes at Region Two if they are remote learners. Students should regularly check in with their Region Two instructors for more information.
- Students and family members are encouraged to email [techsupport@msad70.org](mailto:techsupport@msad70.org) with any Powerschool login needs. In the case of any other technological needs, we offer support through email at [hshelpdesk@msad70.org](mailto:hshelpdesk@msad70.org) or through the HMHS office at 532-2413.
- Our classroom teachers are available Monday through Friday 7:45am to 3:00pm. Please expect a delay in response after those hours.
- Our administration is available to answer any and all questions or concerns. You can reach your administrative team at the following:
