“Access to Success”

Mission Statement

MSAD #70's mission is to provide quality instruction, positive learning opportunities, and a safe educational environment to ensure every student graduates as a responsible citizen who has achieved proficiency in state/district approved standards.

Vision Statement

We envision:

- ◆ A standards-aligned curriculum with a plan for regular updating.
- ◆ A proficiency-based education for all students.
- ◆ Challenging and relevant lessons for all students.
- ◆ Shared leadership acknowledging the opinions and feelings of administration, staff, students, and the community.
- ◆ Professional development supporting all staff in its effort to meet the educational needs of students no matter their background, learning style, or ability.
- ◆ Full funding for superior teaching and learning.
- ◆ Well-maintained facilities and technology infrastructure.
- ◆ A balanced academic program recognizing the importance of all kinds of learning including the arts and athletics.

Goals

- ◆ We will improve student achievement for all students by:
 - Implementing a viable, measurable, proficiency-based curriculum which is focused on essential learnings.
 - Aligning instructional practices to the framework of The Art and Science of Teaching by Robert Marzano to provide student-centered, proficiency-based instruction.
 - Creating an engaging and personalized system of learning to each student's needs.
- ◆ We will maintain a positive and safe environment for all by:
 - Reviewing, updating, and posting district policies and procedures as well as applicable training.
 - Monitoring, addressing and/or celebrating student behavior to reinforce appropriate actions.
 - Modeling professionalism exhibiting respect for self and others.
- ◆ We will provide adequate resources to achieve our goals by:
 - Developing a fiscally-responsible budget.
 - Maintaining and upgrading facilities, technology, and curricula.
 - Supporting quality professional development opportunities.
